Forecast For East of England
Issued by Met Office Exeter
at 1600 on Saturday 20 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Patchy rain overnight. Breezy but fine with sunny spells Sunday.

This Evening and Tonight:
Mainly dry during the evening, but probably on the cloudy side. Becoming more generally cloudy into the early hours however, as some patchy light rain and drizzle moves southwards. Probably becoming drier and clearer towards dawn, with a northerly breeze. Minimum temperature 4 deg C (39 deg F).

Sunday:
A dry and bright day with pleasant sunny spells, perhaps tempered by the northerly breeze in coastal districts. Temperatures will otherwise be a little higher than on Saturday. Maximum temperature 12 deg C (54 deg F).

Outlook for Monday to Wednesday:
Mostly dry but on the cloudy side to start the working week, although some sunny spells are possible. Perhaps more generally cloudy with the chance of some rain by midweek.
